Fund Manager Commentary

December saw the FTSE 100, FTSE 250 and FTSE small cap return -3.6%, -5.3% and -3.8% respectively. The Prime Minister postponed a Commons vote on her Brexit plan at the last moment, as it became clear she faced significant defeat. This was followed by a vote of no confidence on her leadership, although she was able to survive the challenge despite more than 100 Conservative MPs voting against her. Sterling was volatile and ended the month down against the US Dollar, mirroring the political volatility. Diversified Gas & Oil and Marshalls both rose on the back of strong trading updates, whilst JTC and Morse's also performed relatively well in the month. Falls in Blue Prism, Tatton, Next and Rosenblatt impacted performance. In terms of portfolio activity, we started a position in Tracsis, a software provider to the transport industry, and we took part in a placing for Marlowe. We increased our positions in Ashtead, BT, JTC and Quixant. We took profits in Next Fifteen, Park Group, Future, Sigma Capital, Sabre Insurance, and Diversified Gas & Oil and reduced our positions in Domino's Pizza, Eco Animal Health and First Derivatives. We sold out of Shire and On the Beach.
